

El Mes de Mi Cumpleaños

Make a calendar page for the month of your birthday in Spanish. Remember to be creative!

What's included on your calendar page:

- A. The Name of the month in Spanish with correct spelling/capitalization
- B. The days of the week in Spanish (Remember to make the calendar Spanish-style and start with the correct day of the week!)
- C. A numeral written on each day of the month with the number written out in Spanish below it.
- D. Your birthday labeled in Spanish
- E. A couple pictures to show activities you like to do in your birthday month
- F. A sentence saying what you like to do in your birthday month.

Spelling and grammar are very important!

Please make sure you check your Spanish over carefully before you turn your project in.
